WORK EXPERIENCE

Freelance Stylist & Digital Sketch Artist

- Curated thrifted and contemporary fashion pieces into unique, budget-friendly looks.
- Designed mood boards, style guides, and digital mockups to enhance client presentations.
- Collaborated with clients to align looks with their personality, confidence, and occasion needs.
- Managed all aspects of freelance work independently, including client communication, scheduling, and project delivery.
- Built a portfolio blending fashion styling with digital illustration to showcase creative versatility.

INKA Clo

Part-Time Stylist

- Assisted customers with personalized styling, outfit pairing, and fashion advice.
- Curated looks using INKA's clothing line to highlight brand identity and trends.
- Supported in-store merchandising and maintained visually appealing displays.
- Provided input for photoshoots, lookbooks, and social media styling content.
- Built strong customer relationships through excellent communication and styling expertise.

Lable Afeera Store

Sales Intern

- Assist customers in finding products, answering queries, and providing excellent service.
- Accurately process sales transactions, manage cash/card payments, and handle billing.
- Maintain store displays, stock levels, and product organization to ensure a neat shopping environment.

SUMMARY

Dynamic Fashion Professional combining an MA in Fashion Design with a Bachelors in Business Administration to drive customer-centric buying strategies and end-to-end product development.

Proven track record in project cost-reduction, trend forecasting, and high-fidelity digital prototyping (CLO3D, VStitcher).

Deeply aligned with the COS aesthetic of modern, high-quality, and sustainable garment construction, with specialized knowledge in womenswear textiles and denim development.
